Church Launch in Maine

Our church planting partners in Maine, Ron and Melissa Plocinski, now have a location for Renew Community Church, and they will "launch" on Easter Sunday. The space is in an outlet shopping center in Kittery. This a major step for them and very much an answer to prayer. Please pray for Ron and Melissa, for Renew, for the launch, for the people who are supposed to attend, and for the Holy Spirit to do great and mighty things!

Mission Trip to Maine

We are trying to put together a mission trip to Maine the weekend of June 14-16. Ron and Melissa chose this particular weekend because the "Kittery Block Party" is that Saturday. The team will participate in outreach efforts at the block party and otherwise as planned by Ron and Melissa. This block party is a significant community event and outreach opportunity. The team will spend no more than three nights there. If interested, please contact Pete Teague.
