### Pregnancy Support Center

is in need of items to assist a mother of 3 who is in a high-risk pregnancy. She has been out of work for several weeks and has to move to a new location. She has secured an apartment but has no furniture and very little relational support.

She needs most furnishings and household items for a 3 bedroom apartment. Beds are 1 queen and 2 twin. Two small desks will be needed for the kids (ages 6 & 9), as well as supplies/uniforms for the new school year. Also, as she prepares for the baby, it would be wonderful to bless her with meals or gift cards for some area restaurants.

If you have something you would like to donate, please email [shari@pregnancysupport.com](mailto:shari@pregnancysupport.com). Any questions about items that are still needed can be directed to the Pregnancy Support Center office at 704-633-7695.

Any duplicate items received will be used for other families with similar needs.
